Entrance Change

Beginning on March 3, we will no longer be using the Cherry Street Entrance. All youth will enter through the Railroad Street entrance directly into the gym. This change will help us to keep better track of who is entering and exiting the building at all times and will better allow youth to watch for parent arrivals without leaving the gym.

REMINDER ABOUT FOOD

- In an effort to keep our space clean, youth are not permitted to bring food such as slushies, fountain drinks, and ice cream into the Phoenix Center. These often result in spills and messes that need mopped up and may stain.
- We have partnered with The Caring Cupboard to provide a free "healthier" snack for youth each day that they may choose from a box on the snack bar counter.
- Youth may also receive a free snack for completing 20 minutes of homework or reading in the Homework Club.
- Snacks and drinks are available for purchase at the snack bar.
- Youth are welcome to bring snacks from home in their lunch boxes as long as they do not result in a mess.
- All youth are expected to clean up after themselves or they will be unable to purchase snacks during their next visit.

HOMework CLUB

The Homework Club offers a space for completing homework and reading away from the noise and activity of the gym. It is located in classrooms in the back hall past the restrooms. (If you need directions, just ask!)

Each student who spends at least 20 minutes productively working, reading, or studying will receive a ticket for a free snack.

There is always a Homework Club supervisor present who will offer homework assistance to the best of their ability if requested.

Books are available to borrow if a student has no homework but would still like to earn a ticket for a free snack.

In addition, supplies such as construction paper, notebook paper, colored pencils, markers, crayons, glue sticks, rulers, and more are available for use.

@PHOENIXYOUTHCENTER

We are grateful to be partnering with Pat Steely to offer yoga to the youth at the PYC once a month!

Yoga is not only beneficial for physical health and fitness but is also a wonderful way to reduce stress and anxiety.

Join us Wednesday, March 18 at 3:30pm for our next yoga session.
